FEATURES

Added value Foster uses steel thicknesses higher than those used on average by other manufacturers. This is how, thanks to our long experience, we know how to make sinks of superior quality and with a better resistance to aging.

ADDITIONAL HOLES AVAILABLE The sink can be customized with the execution on request of additional holes, usable for double-hole mixers, for remote controlled drains or for the installation of soap dispensers. The positions are marked on the drawings with dotted line holes.

Basket 3,5" waste fitting The drain is equipped with a large 3.5" drain, with the practical basket cap that prevents the discharge of solid parts.
