|                 |                                 |
|-----------------|---------------------------------|
| Drainer         | No                              |
| Width           | 83 cm                           |
| Bowl dimension  | 500x400 + 233x335mm             |
| Number of bowls | 2 bowls                         |
| Waste fitting   | Drain with automatic PR control |

## FEATURES

|                           |  |
|---------------------------|--|
| Automatic waste fitting   | The waste-fitting with round remote knob is supplied; a practical accessory which makes it unnecessary to get wet in order to drain the water from the bowl.   |
| Basket 3,5" waste fitting | The drain is equipped with a large 3.5" drain, with the practical basket cap that prevents the discharge of solid parts.   |
| Deep bowls                | This bowls reach an important depth, over 20 cm, thanks to the advanced production technology, that can be offer great capieny and practicity in all the washing operations.   |
| Double mixer hole         | The large tap counter is already fitted with a series of 2 tap holes. In the second hole it is possible to install the remote control of the automatic drain or, alternatively, a practical soap dispenser.  |
| High thickness            | 1mm thick steel. A significant thickness, which guarantees the maximum sturdiness and durability.  |
| three-step system         | An ingenious design that makes it simple to use a large set of optional accessories. On the topmost supporting step, the innovative Black grids slide, creating a large and practical surface to rinse food and crockery. The second step is meant to support and allow the sliding of a complete combination of accessories, which make some operations practical and safe: rinse, drain, slice, grate... everything can be done inside the sink. The new Black grids strongly characterize aesthetics and functionality. Hygienic, with great lightness, resistance and ease of cleaning, they are also 100% ecological, a respectful choice for nature and the environment that surrounds us. |
