

Sink FM Marine

Tank on the right

Kitchen Sinks

Code: 1971 961

DETAILS

Edge/Installation Type Standard (8 mm Edge)

Finish Foster brushed

Material Stainless steel AISI 316

Texture Foster brushed

Base 45 cm

Dimensions 860 x 500 mm

Standard fittings Fixing hooks, gasket, drain, overflow and siphon, boxed packing

Mixer holes 1 standard hole - 2nd hole on request

Built-in hole 840 x 480 mm

Drainer Yes

Width 86 cm

Bowl dimension 362,5x400mm

Number of bowls 1 bowl

Waste fitting 3,5" drain

FEATURES

Added value Foster uses steel thicknesses higher than those used on average by other manufacturers. This is how, thanks to our long experience, we know how to make sinks of superior quality and with a better resistance to aging.

ADDITIONAL HOLES AVAILABLE The sink can be customized with the execution on request of additional holes, usable for double-hole mixers, for remote controlled drains or for the installation of soap dispensers. The positions are marked on the drawings with dotted line holes.

Basket 3,5" waste fitting The drain is equipped with a large 3.5" drain, with the practical basket cap that prevents the discharge of solid parts.

Marine stainless steel The Marine collection of sinks and hobs uses AISI 316 stainless steel, a superior quality material and widely used in the marine industry, which guarantees the best resistance to the corrosive effects of acids contained in food, salt and detergents.
