-------------------	---

Mixer holes	1 standard hole - 2nd and 3rd on request
-------------	--

Built-in hole	950 x 480 mm
---------------	--------------

Drainer	Yes
---------	-----

Width	97 cm
-------	-------

Bowl dimension	362,5x400 + 150x300mm
----------------	-----------------------

Number of bowls	2 bowls
-----------------	---------

Waste fitting	3,5" drain
---------------	------------

FEATURES

Added value	Foster uses steel thicknesses higher than those used on average by other manufacturers. This is how, thanks to our long experience, we know how to make sinks of superior quality and with a better resistance to aging.
-------------	--

ADDITIONAL HOLES AVAILABLE	The sink can be customized with the execution on request of additional holes, usable for double-hole mixers, for remote controlled drains or for the installation of soap dispensers. The positions are marked on the drawings with dotted line holes.
----------------------------	--

Basket 3,5" waste fitting	The drain is equipped with a large 3.5" drain, with the practical basket cap that prevents the discharge of solid parts.
---------------------------	--

Marine stainless steel	The Marine collection of sinks and hobs uses AISI 316 stainless steel, a superior quality material and widely used in the marine industry, which guarantees the best resistance to the corrosive effects of acids contained in food, salt and detergents.
