

## Sink KE Black

Kitchen Sinks

Code: 2155 853

### DETAILS

Edge/Installation Type      Undermount

Material      AISI 304 stainless steel

Finish      PVD

Coloring      Black

Texture      Foster brushed

Base      60 cm

Width      54 cm

Dimensions      540 x 440 mm

Bowl dimension      500 x 400 mm

---

Number of bowls	1 bowl
Built-in hole	<a href="#">View technical data sheet</a>
Mixer holes	No standard holes
Standard fittings	Fixing hooks, gasket, drain, overflow and siphon, boxed packing
Drainer	No
Waste fitting	3,5" drain

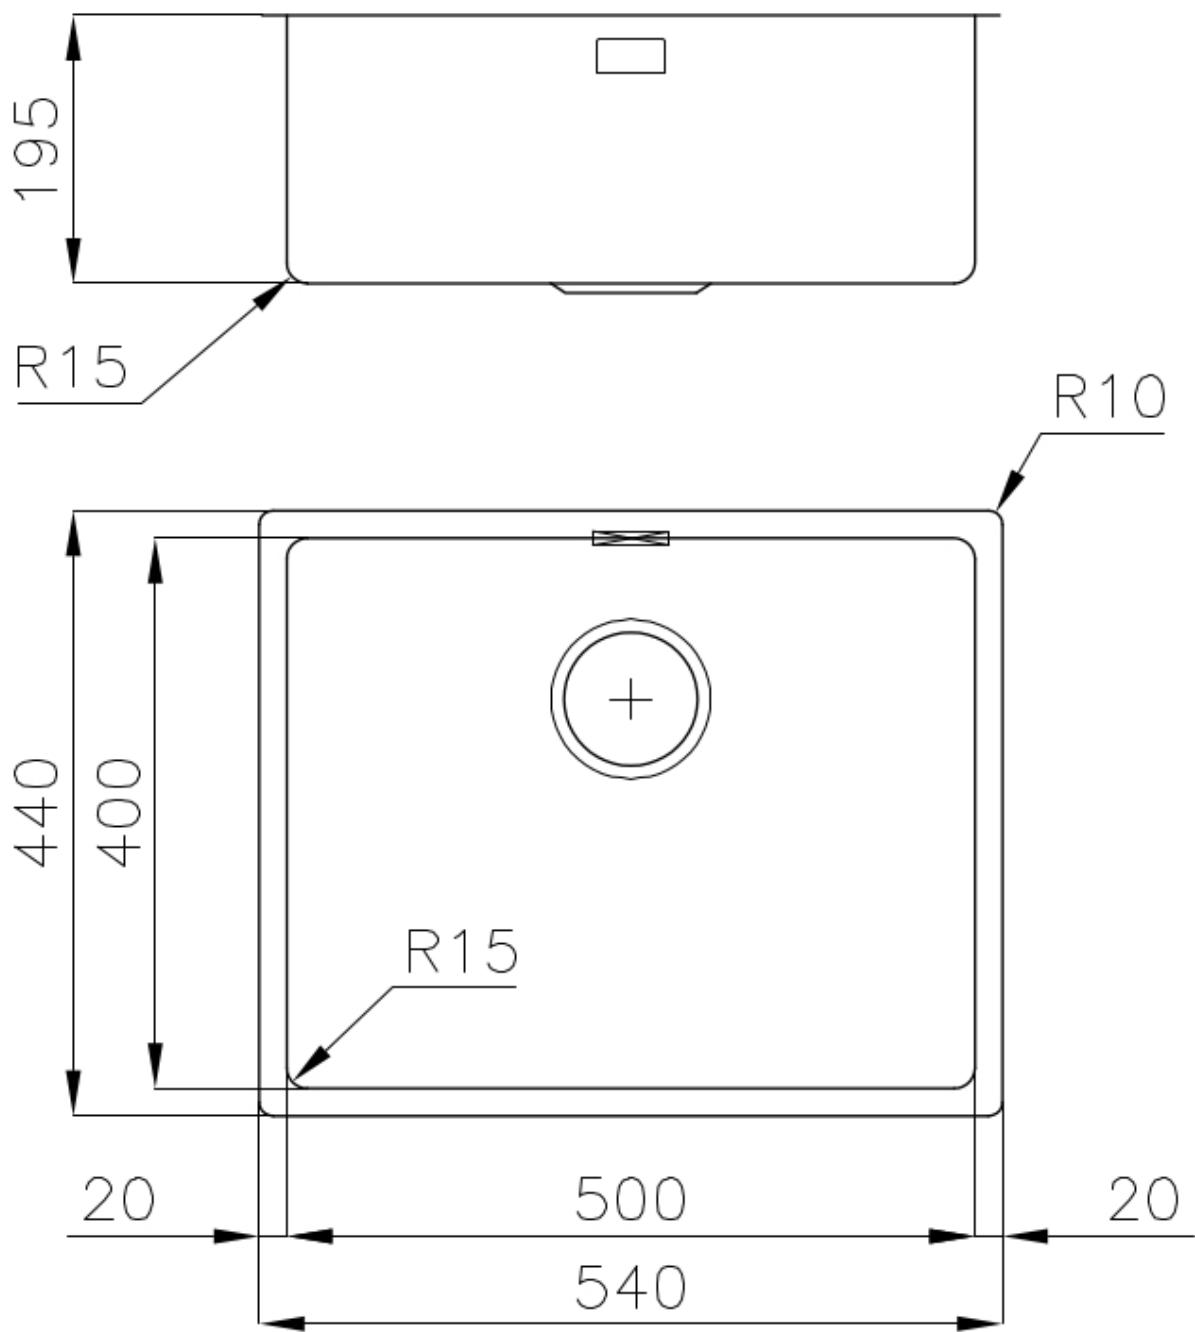

---

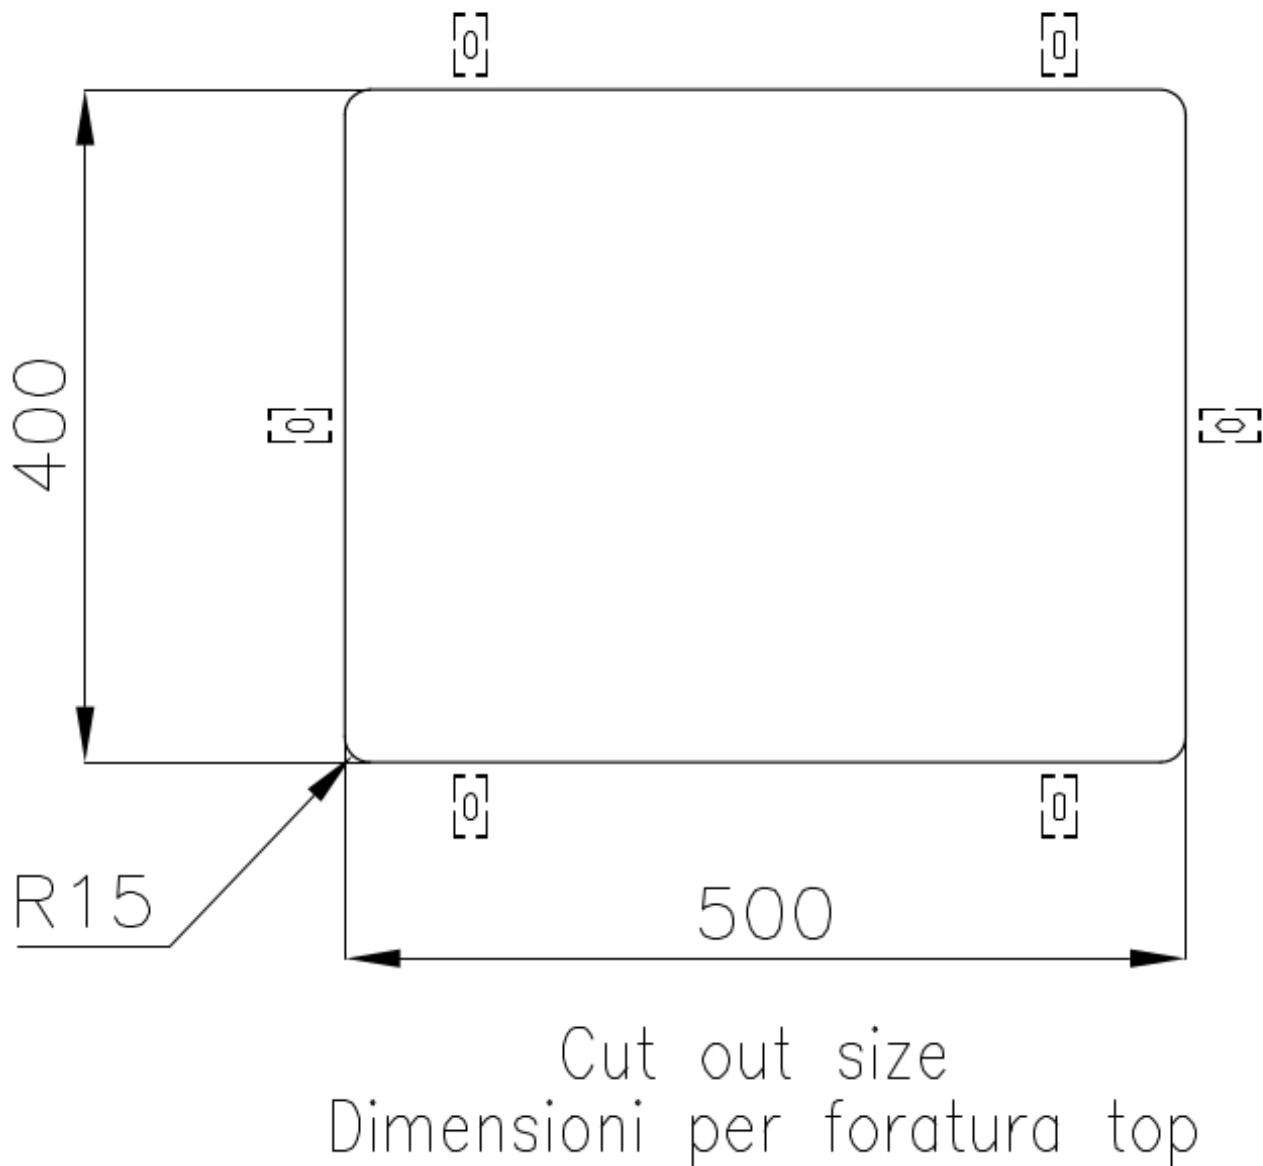

## FEATURES

Basket 3,5" waste fitting	The drain is equipped with a large 3.5" drain, with the practical basket cap that prevents the discharge of solid parts.
BLACK	The Black finish is obtained by treating steel with a physical process called PVD (Physical Vacuum Deposition) which deposits particles of noble metals on the surface. The result is a unique and refined aesthetic effect, and an improvement of the mechanical properties of the steel which is more resistant to impact and scratches.
High thickness	1mm thick steel. A significant thickness, which guarantees the maximum sturdiness and durability.
Perimetral overflow	The overflow is always a security on the Foster sinks that prevents the overflow of water in case of oversights. The perimeter drain solution improves aesthetics thanks to its square and essential shape.
Small radius	Bowls with squared shapes with a modern design and an increased capacity, for a minimal aesthetics connected with an extreme practicality.

---
