| Number of bowls | 1 bowl |
|-----------------|--------|

|               |            |
|---------------|------------|
| Waste fitting | 3,5" drain |
|---------------|------------|

## FEATURES

|                           |  |
|---------------------------|--|
| Basket 3,5" waste fitting | The drain is equipped with a large 3.5" drain, with the practical basket cap that prevents the discharge of solid parts. |
|---------------------------|--|

|           |  |
|-----------|--|
| Gun Metal | The Gun Metal finish is obtained by treating steel with a physical process called PVD (Physical Vacuum Deposition) which deposits particles of noble metals on the surface. The result is a unique and refined aesthetic effect, and an improvement of the mechanical properties of the steel which is more resistant to impact and scratches. |
|-----------|--|

|                |   |
|----------------|---|
| High thickness | 1mm thick steel. A significant thickness, which guarantees the maximum sturdiness and durability. |
|----------------|---|

|                     |   |
|---------------------|---|
| Perimetral overflow | The overflow is always a security on the Foster sinks that prevents the overflow of water in case of oversights. The perimeter drain solution improves aesthetics thanks to its square and essential shape. |
|---------------------|---|

|              |  |
|--------------|--|
| Small radius | Bowls with squared shapes with a modern design and an increased capacity, for a minimal aesthetics connected with an extreme practicality. |
|--------------|--|

|             |   |
|-------------|---|
| VINTAGE PVD | The prestigious PVD finish combines with the care for detail of the Vintage finish, to create a combination of unique elegance. |
|-------------|---|
