Mixer holes	No standard holes

Built-in hole	<a href="#">View technical data sheet</a>
---------------	---

Drainer	No
---------	----

Width	44 cm
-------	-------

Bowl dimension	400 x 400 mm
----------------	--------------

Number of bowls	1 bowl
-----------------	--------

Waste fitting	3,5" drain
---------------	------------

## FEATURES

Basket 3,5" waste fitting	The drain is equipped with a large 3.5" drain, with the practical basket cap that prevents the discharge of solid parts.
---------------------------	--

Gun Metal	The Gun Metal finish is obtained by treating steel with a physical process called PVD (Physical Vacuum Deposition) which deposits particles of noble metals on the surface. The result is a unique and refined aesthetic effect, and an improvement of the mechanical properties of the steel which is more resistant to impact and scratches.
-----------	--

High thickness	1mm thick steel. A significant thickness, which guarantees the maximum sturdiness and durability.
----------------	---

Perimetral overflow	The overflow is always a security on the Foster sinks that prevents the overflow of water in case of oversights. The perimeter drain solution improves aesthetics thanks to its square and essential shape.
---------------------	---

Small radius	Bowls with squared shapes with a modern design and an increased capacity, for a minimal aesthetics connected with an extreme practicality.
--------------	--

VINTAGE PVD	The prestigious PVD finish combines with the care for detail of the Vintage finish, to create a combination of unique elegance.
-------------	---
