Built-in hole

[View technical data sheet](#)

Standard fittings

Fixing hooks, drain, overflow and siphon, boxed packing

Waste fitting

1¼" drain

Key to understanding the accessories

The lengths of the channels and accessories are indicated in “units”; for the composition, the sum of the “units” of the accessories must be the same as the length in “units” of the channel.

FEATURES

High thickness

1mm thick steel. A significant thickness, which guarantees the maximum sturdiness and durability.
