

Sink Quadra R12 Brandy

Kitchen Sinks

Code: 1717 055

DETAILS

Material	AISI 304 stainless steel
Texture	Brushed in line
Finish	PVD
Coloring	Brandy
Edge/Installation Type	Flush-mount Top-mount
Base	80 cm
Dimensions	750 x 440 mm
Bowl dimension	710 x 400 mm
Width	75 cm

Built-in hole

[View technical data sheet](#)

Number of bowls

1 bowl

Standard fittings

Fixing hooks, gasket, drain, overflow and siphon, boxed packing

Drainer

No

Mixer holes

No standard holes

Waste fitting

Drain SPACE 3,5"

FEATURES

BRANDY

The Brandy finish is obtained by treating steel with a physical process called PVD (Physical Vacuum Deposition) which deposits particles of noble metals on the surface. The result is a unique and refined aesthetic effect, and an improvement of the mechanical properties of the steel which is more resistant to impact and scratches.

Deep bowls

This bowls reach an important depth, over 20 cm, thanks to the advanced production technology, that can be offer great capieny and practicity in all the washing operations.

Diamond-shape bottom

The draining of water is an important feature in a sink, and it's always taken good care of in Foster products. In the bent-welded sinks, which would have a flat bottom, the proper draining is guaranteed by the elegant beveling, which helps the water flow.

High thickness

1mm thick steel. A significant thickness, which guarantees the maximum sturdiness and durability.

Perimetral overflow

The overflow is always a security on the Foster sinks that prevents the overflow of water in case of oversights. The perimeter drain solution improves aesthetics thanks to its square and essential shape.

Small radius

Bowls with squared shapes with a modern design and an increased capacity, for a minimal aesthetics connected with an extreme practicity.
