|               |            |
|---------------|------------|
| Waste fitting | 3,5" drain |
|---------------|------------|

## FEATURES

|                           |                                                                                                                          |
|---------------------------|--------------------------------------------------------------------------------------------------------------------------|
| Basket 3,5" waste fitting | The drain is equipped with a large 3.5" drain, with the practical basket cap that prevents the discharge of solid parts. |
|---------------------------|--------------------------------------------------------------------------------------------------------------------------|

|       |                                                                                                                                                                                                                                                                                                                                            |
|-------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| BLACK | The Black finish is obtained by treating steel with a physical process called PVD (Physical Vacuum Deposition) which deposits particles of noble metals on the surface. The result is a unique and refined aesthetic effect, and an improvement of the mechanical properties of the steel which is more resistant to impact and scratches. |
|-------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

|            |                                                                                                                                                                              |
|------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Deep bowls | This bowls reach an important depth, over 20 cm, thanks to the advanced production technology, that can be offer great capieny and practicity in all the washing operations. |
|------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

|                |                                                                                                   |
|----------------|---------------------------------------------------------------------------------------------------|
| High thickness | 1mm thick steel. A significant thickness, which guarantees the maximum sturdiness and durability. |
|----------------|---------------------------------------------------------------------------------------------------|

|                     |                                                                                                                                                                                                             |
|---------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Perimetral overflow | The overflow is always a security on the Foster sinks that prevents the overflow of water in case of oversights. The perimeter drain solution improves aesthetics thanks to its square and essential shape. |
|---------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

## TECHNICAL DATA

Cut out size – Dimensioni per foratura top

## OPTIONAL ACCESSORIES

**Black grid**  
8100 617

**Graters kit with ring-holder and food collection tray**

8159 101

\* only in combination with the accessory  
8644 101

**HDPE Chopping board**  
8657 001

**HPDE Twin chopping board**  
8644 101

**Iroko-wood sliding chopping board with stainless steel colander**

8644 044

**Stainless steel perforated tray PVD Gun Metal**

8151 006

\* only in combination with the accessory  
8644 101

**Stainless steel plate rack**  
8100 303

\* only in combination with the accessory  
8644 101

**Stainless steel plate rack**  
8100 201

**White bowl**  
8153 100

## RECOMMENDED PAIRINGS

**Mixer Tap Skin Gun Metal**  
8424 856

**Mixer Tap Omega Plus Gun Metal**  
8498 856

**Mixer Tap Omega Plus Matt Black**  
8498 626

**OP GUN METAL satin**  
8499 106

**Mixer Tap Margot Gun Metal**  
8524 006

**Dispenser Evo satin Gun Metal**  
8520 156

**Dispenser Evo Gun Metal**  
8520 856
