**Added value** Foster uses steel thicknesses higher than those used on average by other manufacturers. This is how, thanks to our long experience, we know how to make sinks of superior quality and with a better resistance to aging.

**Basket 3,5" waste fitting** The drain is equipped with a large 3.5" drain, with the practical basket cap that prevents the discharge of solid parts. The 3.5 "drain allows the use of the Foster waste-disposer, compatible with all models.
