| Waste fitting | 3,5" drain |
|---------------|------------|

## FEATURES

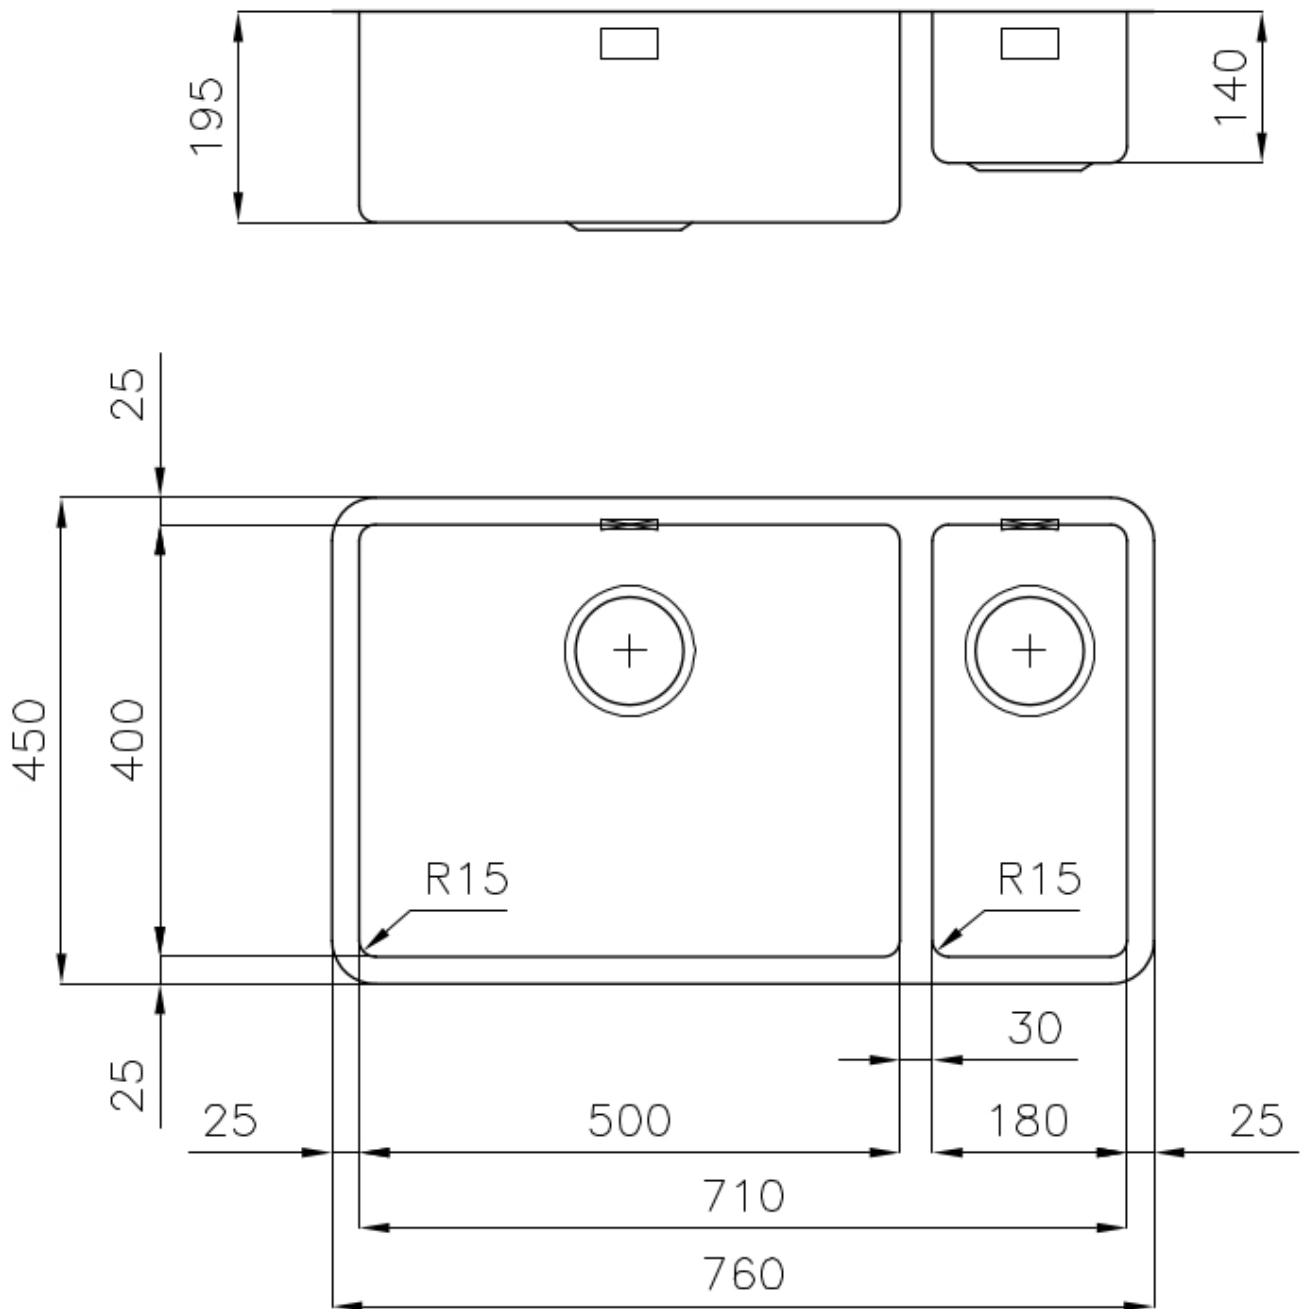

|                           |                                                                                                                          |
|---------------------------|--------------------------------------------------------------------------------------------------------------------------|
| Basket 3,5" waste fitting | The drain is equipped with a large 3.5" drain, with the practical basket cap that prevents the discharge of solid parts. |
|---------------------------|--------------------------------------------------------------------------------------------------------------------------|

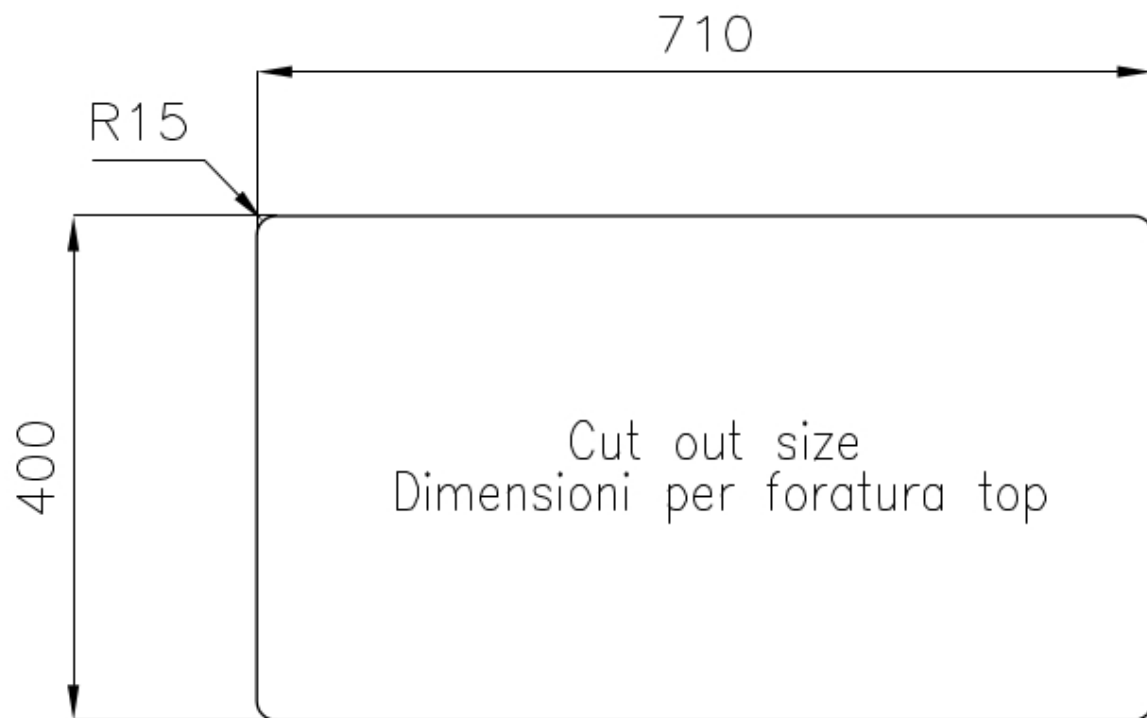

|                |                                                                                                   |
|----------------|---------------------------------------------------------------------------------------------------|
| High thickness | 1mm thick steel. A significant thickness, which guarantees the maximum sturdiness and durability. |
|----------------|---------------------------------------------------------------------------------------------------|

|                     |                                                                                                                                                                                                             |
|---------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Perimetral overflow | The overflow is always a security on the Foster sinks that prevents the overflow of water in case of oversights. The perimeter drain solution improves aesthetics thanks to its square and essential shape. |
|---------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

|              |                                                                                                                                            |
|--------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| Small radius | Bowls with squared shapes with a modern design and an increased capacity, for a minimal aesthetics connected with an extreme practicality. |
|--------------|--------------------------------------------------------------------------------------------------------------------------------------------|

## TECHNICAL DATA

## OPTIONAL ACCESSORIES

**Cestello inox**  
8612 000

**Glass chopping board**  
8631 300

**HDPE Chopping board**  
8657 001

**HPDE Twin chopping board**  
8644 101

**Stainless steel plate rack**  
8100 303  
\* only in combination with the accessory  
8644 101

**Stainless steel plate rack only  
usable in combination with the  
accessories 8644 003**  
8100 154

**White basket**  
8612 100

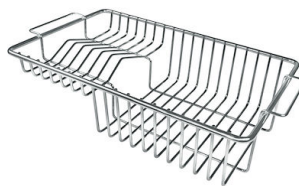

**White bowl**  
8153 100

**Graters kit with ring-holder and  
food collection tray**  
8159 101  
\* only in combination with the accessory  
8644 101

**Stainless steel perforated tray**  
8151 000  
\* only in combination with the accessory  
8644 101

**Stainless steel plate rack**  
8100 201

## RECOMMENDED PAIRINGS

**Mixer Tap Camillo**  
8467 000

**Mixer Tap Lorenzo**  
8466 000

## OPTIONAL AUTOMATIC WASTE FITTINGS

**Automatic waste fitting - PM**  
8407 113

**Space automatic waste fitting - PA**  
8407 108

**Space automatic waste fitting - PE**  
8407 109

**Space Light automatic waste fitting  
- PL**  
8407 117

**Space Milano automatic waste  
fitting**  
8407 115

**Space Push automatic waste fitting  
- PP**  
8407 116
