---

## FEATURES

**2nd / 3rd hole available** The sink can be customized with the execution on request of additional holes, usable for double-hole mixers, for remote controlled drains or for the installation of soap dispensers. The positions are marked on the drawings with dotted line holes.

---

**Basket 3,5" waste fitting** The drain is equipped with a large 3.5" drain, with the practical basket cap that prevents the discharge of solid parts.

---

**Deep bowls** This bowls reach an important depth, over 20 cm, thanks to the advanced production technology, that can be offer great capiciency and praticity in all the washing operations.

---

**High thickness** 1mm thick steel. A significant thickness, which guarantees the maximum sturdiness and durability.

---

**Perimetral overflow** The overflow is always a security on the Foster sinks that prevents the overflow of water in case of oversights. The perimeter drain solution improves aesthetics thanks to its square and essential shape.

---

**Small radius** Bowls with squared shapes with a modern design and an increased capacity, for a minimal aesthetics connected with an extreme praticity.

---
