Dishwasher KS Plus

Dishwasher

Code: 2941 001
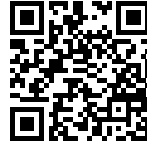

DETAILS

Supply	220-240V - 50Hz
Water consumption	12Lt / Cycle
Energy consumption	103 kWh / 100 ECO cycles
Standard fittings	Cutlery basket
End of cycle indicators	Acoustic + Floor light
Door panel dimension limits	Thickness: 18-28 mm FIXED panel - Height: 660-720 mm SLIDING panel - Height: 660-770 mm
Number of place settings	13
Number of levels	2
Number of programs	10

Delayed programming	1 - 24 h
Programming	Electronic
Height adjustment	0-70 mm
Frontal adjustment of rear feet	Yes
Noise level	48 dB(A) in sound power dB(A) - Class C
Energy class	F

FEATURES

|	
Extra rapid	When you're in a hurry, this function reduces the programs' duration, down to the 15' of the rapid program.
Ten washing programs	As many as 10 programs (5 plus 5 rapid programs) make for an extremely flexible dishwasher, adapted for all kinds of need.
Half-load option	Saving time and energy with the half-load setting. Available on all programs.
Acquastop safety	The system stops the water supply and prevents leaks and overflows at source.
Total hygiene function	A program for those who have above-average needs in terms of hygiene; it increases the washing and drying temperatures.
Delayed programming	It is possible to program a delayed start of the dishwasher, and thus to optimize the energy consumption during the day.
Adjustable basket	The upper basket is simple to adjust in height, even when fully loaded. This allows better space management according to washing needs.

Tabs "all in one"	This option guarantees perfect results with all kinds of detergent. Once it is activated, the washing cycle is adapted to the practical all-in-one tabs instead of the regular detergent.
