

Dishwasher Elettra 2950 001

Dishwasher

Code: 2950 001

DETAILS

Supply 220-240V - 50Hz

Energy class A++

Water consumption 12Lt / Cycle

Drying Efficiency A

Washing Efficiency A

Number of place settings 12

Number of programs 6

Programming Electronic

Height adjustment 0 - 50 mm

Frontal adjustment of rear feet Yes

Noise level

FEATURES

Acquastop safety The system stops the water supply and prevents leaks and overflows at source.

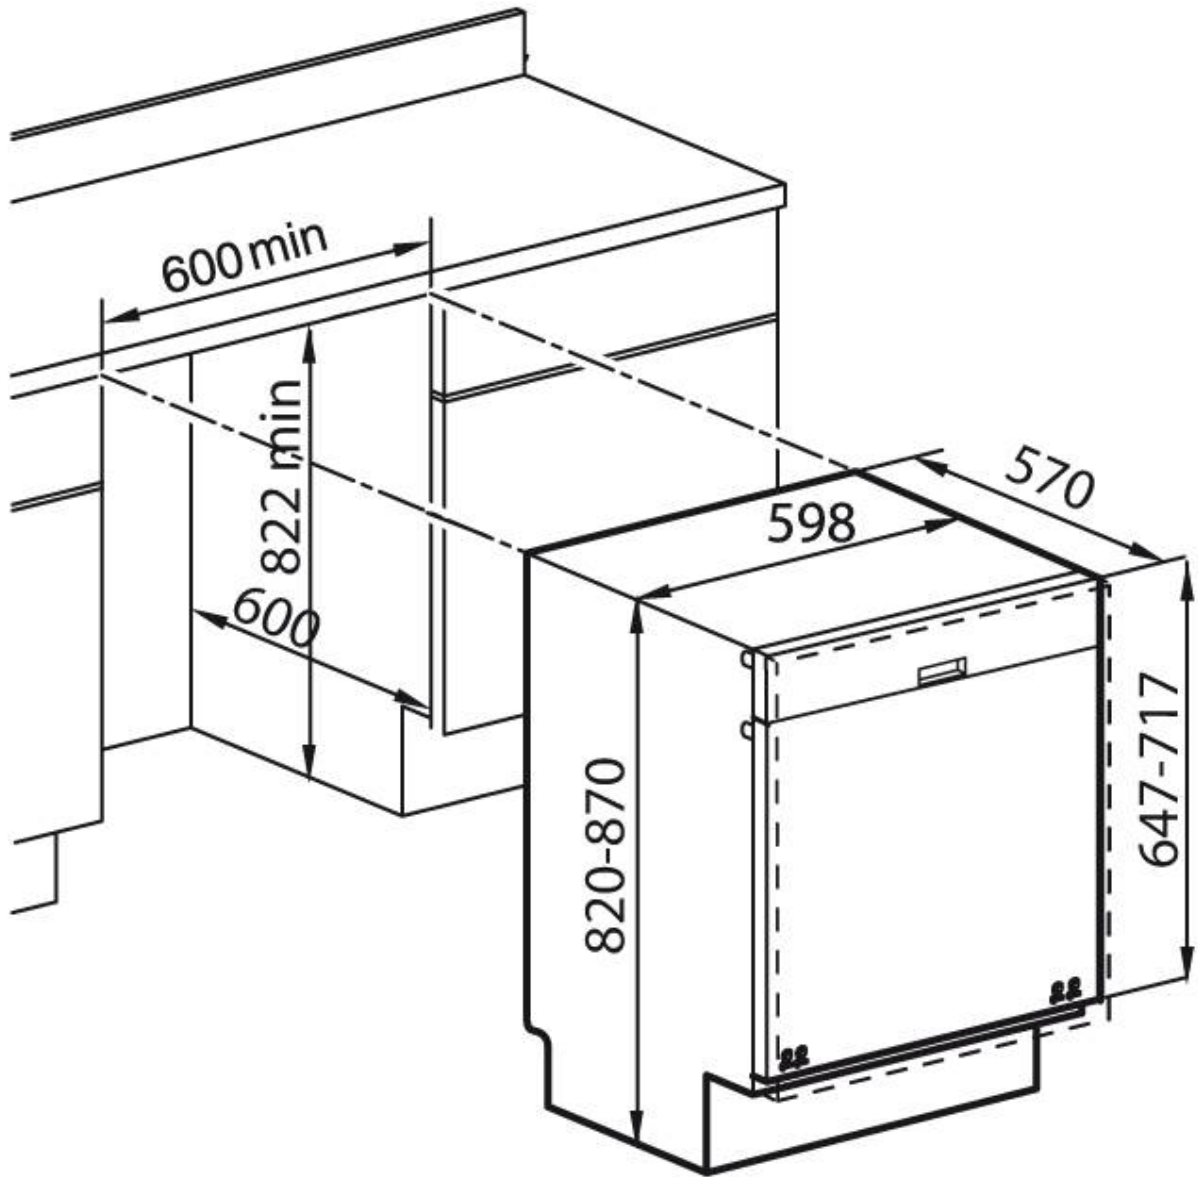

Adjustable basket The upper basket is simple to adjust in height, even when fully loaded. This allows better space management according to washing needs.

Delayed programming It is possible to program a delayed start of the dishwasher, and thus to optimize the energy consumption during the day.

Half-load option Saving time and energy with the half-load setting. Available on all programs.

Tabs "all in one" This option guarantees perfect results with all kinds of detergent. Once it is activated, the washing cycle is adapted to the practical all-in-one tabs instead of the regular detergent.
