

## Rangetop Foster Milano

Rangetop and Top inox

Code: 3166 000

### DETAILS

Material AISI 304 stainless steel

---

Texture Brushed in line

---

Dimensions 1200x650 mm

---

Full description 120 cm gas hob - 6 burners

---

Heating element six burners

---

Built-in hole 1120x620 mm

---

Grids Cast iron grids and enamelled burner covers

---

Total power 15.900 W

---

Auxiliary 1.000 W

---

Semirapid 2 x 1.750 W

---

Rapid 3.000 W

---

Dual 2 x 4.200 W

---

Safety Safety valve with quick-acting thermocouple

---

Block type Bloquear cocción a gas

---

Ignition Electric ignition under knob

---

Gas type Tested for installation with natural gas, LPG nozzle set included.

---

Type Gas Hob

---

## FEATURES

**Aeo burners** The AEO burners guarantee up to 25% energy saving compared to standard burners. All models are designed with The Dual burner with 2 independent crowns, controlled by a single knob, delivers from 1 to 5KW, a power that can only be found in professional models.

---

**Cast iron grids** Cast-iron is the ideal material for an hob grid, this due to the manifold properties characterising it: high heat capacity that improves cooking performance; high weight and stability that improve safety; sturdiness that preserves the hob's original aspect over time; easy cleaning.

---

**Safe cooking** All Foster cooker hobs are equipped with safety valves. They shut off the gas supply very quickly if the flame accidentally goes out.

---

**Special burners** Many Foster hobs are equipped with special burners, with two or three rings of fire that greatly increase the power delivered and the heated surface. In the DUAL models the two fire crowns also have independent ignition, making these burners perfect for both intensive and delicate cooking.

---

## Under-knob ignition

The utmost freedom of movement with electronic under-knob ignition, a common feature of all models that allows a one-hand ignition of the burner.

## XXL grids

The weighty enamelled cast iron grid has extraordinary dimensions, 33x25 cm, with a working surface up to 50% bigger compared to a standard cooker hob. Now you can use all the burners at the same time even with large cookware.
