## FEATURES

|                            |                                                                                                                                                                                                                                                        |
|----------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| ADDITIONAL HOLES AVAILABLE | The sink can be customized with the execution on request of additional holes, usable for double-hole mixers, for remote controlled drains or for the installation of soap dispensers. The positions are marked on the drawings with dotted line holes. |
|----------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

|                           |                                                                                                                          |
|---------------------------|--------------------------------------------------------------------------------------------------------------------------|
| Basket 3,5" waste fitting | The drain is equipped with a large 3.5" drain, with the practical basket cap that prevents the discharge of solid parts. |
|---------------------------|--------------------------------------------------------------------------------------------------------------------------|
