

Sink Phantom Edge Gold

Kitchen Sinks

Code: 4155 019

DETAILS

Coloring Gold

Edge/Installation Type Phantom Edge | Top 12 mm

Finish PVD

Material AISI 304 stainless steel

Texture Foster brushed

Base 60 cm

Dimensions 542x442 mm

Standard fittings Drain, overflow and siphon, boxed packing

Mixer holes No standard holes

Built-in hole	View technical data sheet
---------------	---

Drainer	No
---------	----

Bowl dimension	500x400mm
----------------	-----------

Number of bowls	1 bowl
-----------------	--------

Waste fitting	3,5" drain
---------------	------------

FEATURES

Gold	The Gold finish is obtained by treating the steel with a physical process called PVD (Physical Vacuum Deposition) which deposits particles of noble metals on the surface. The result is a unique and refined aesthetic effect, and an improvement in the mechanical properties of the steel that is more resistant to shocks and scratches.
------	--

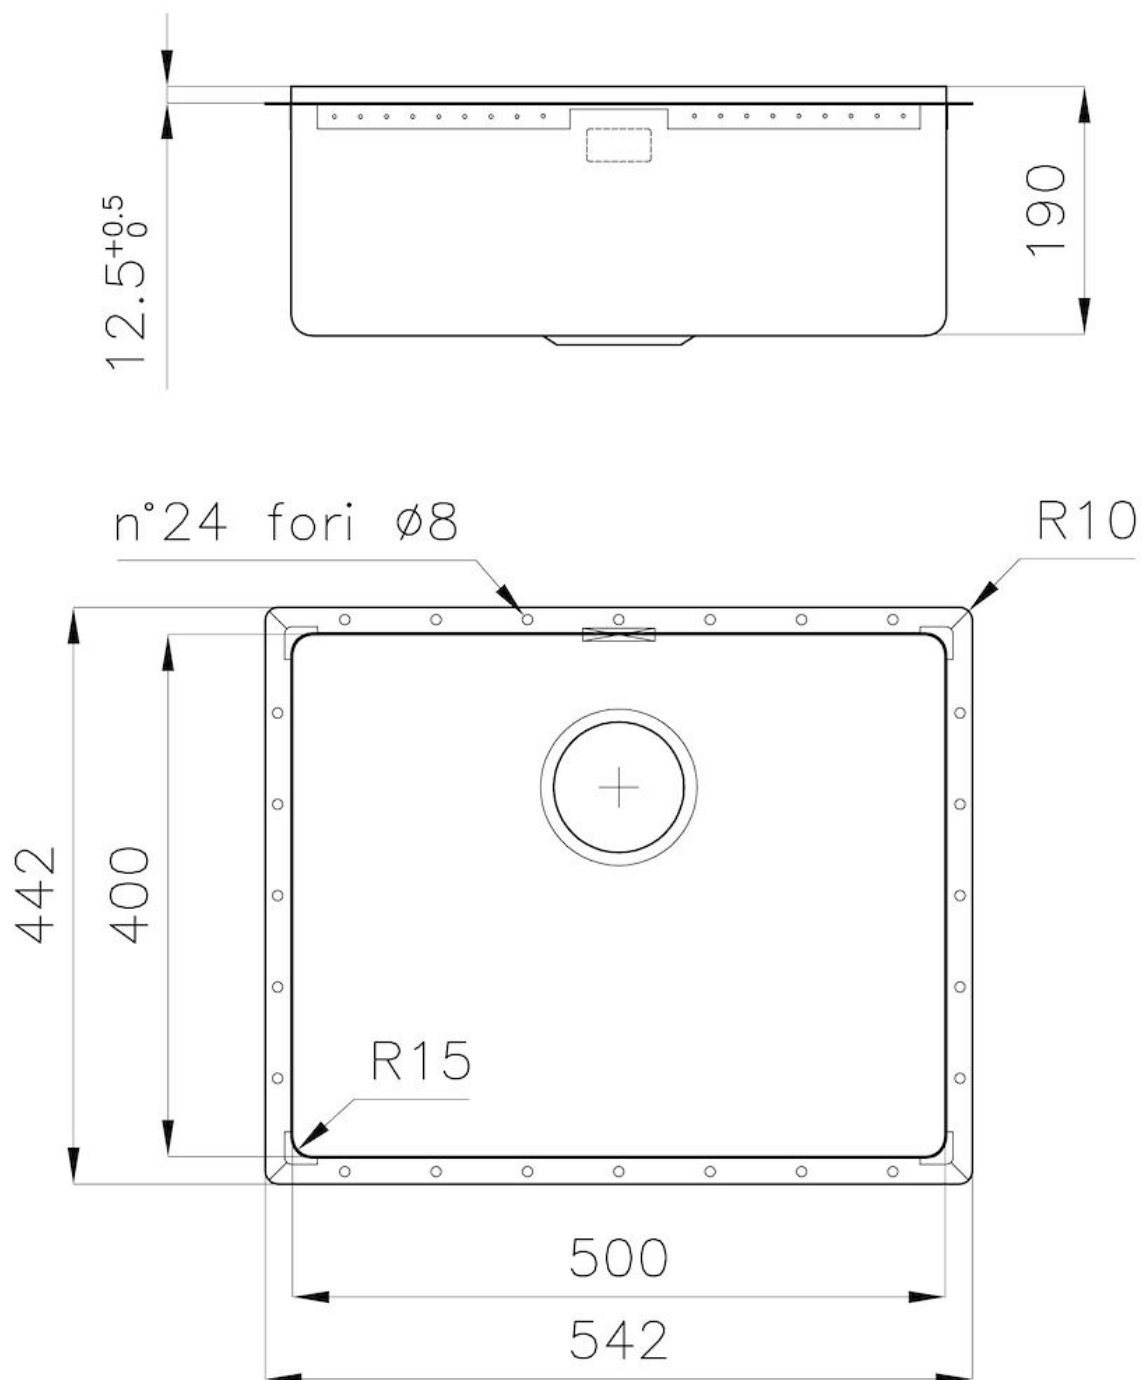

PHANTOM EDGE	The Phantom Edge bowls are specifically manufactured for zero-edge installation. They are equipped with a perimetric fixing system onto which the worktop is lodged. The standard version is meant for 12mm-thick worktops.
--------------	---

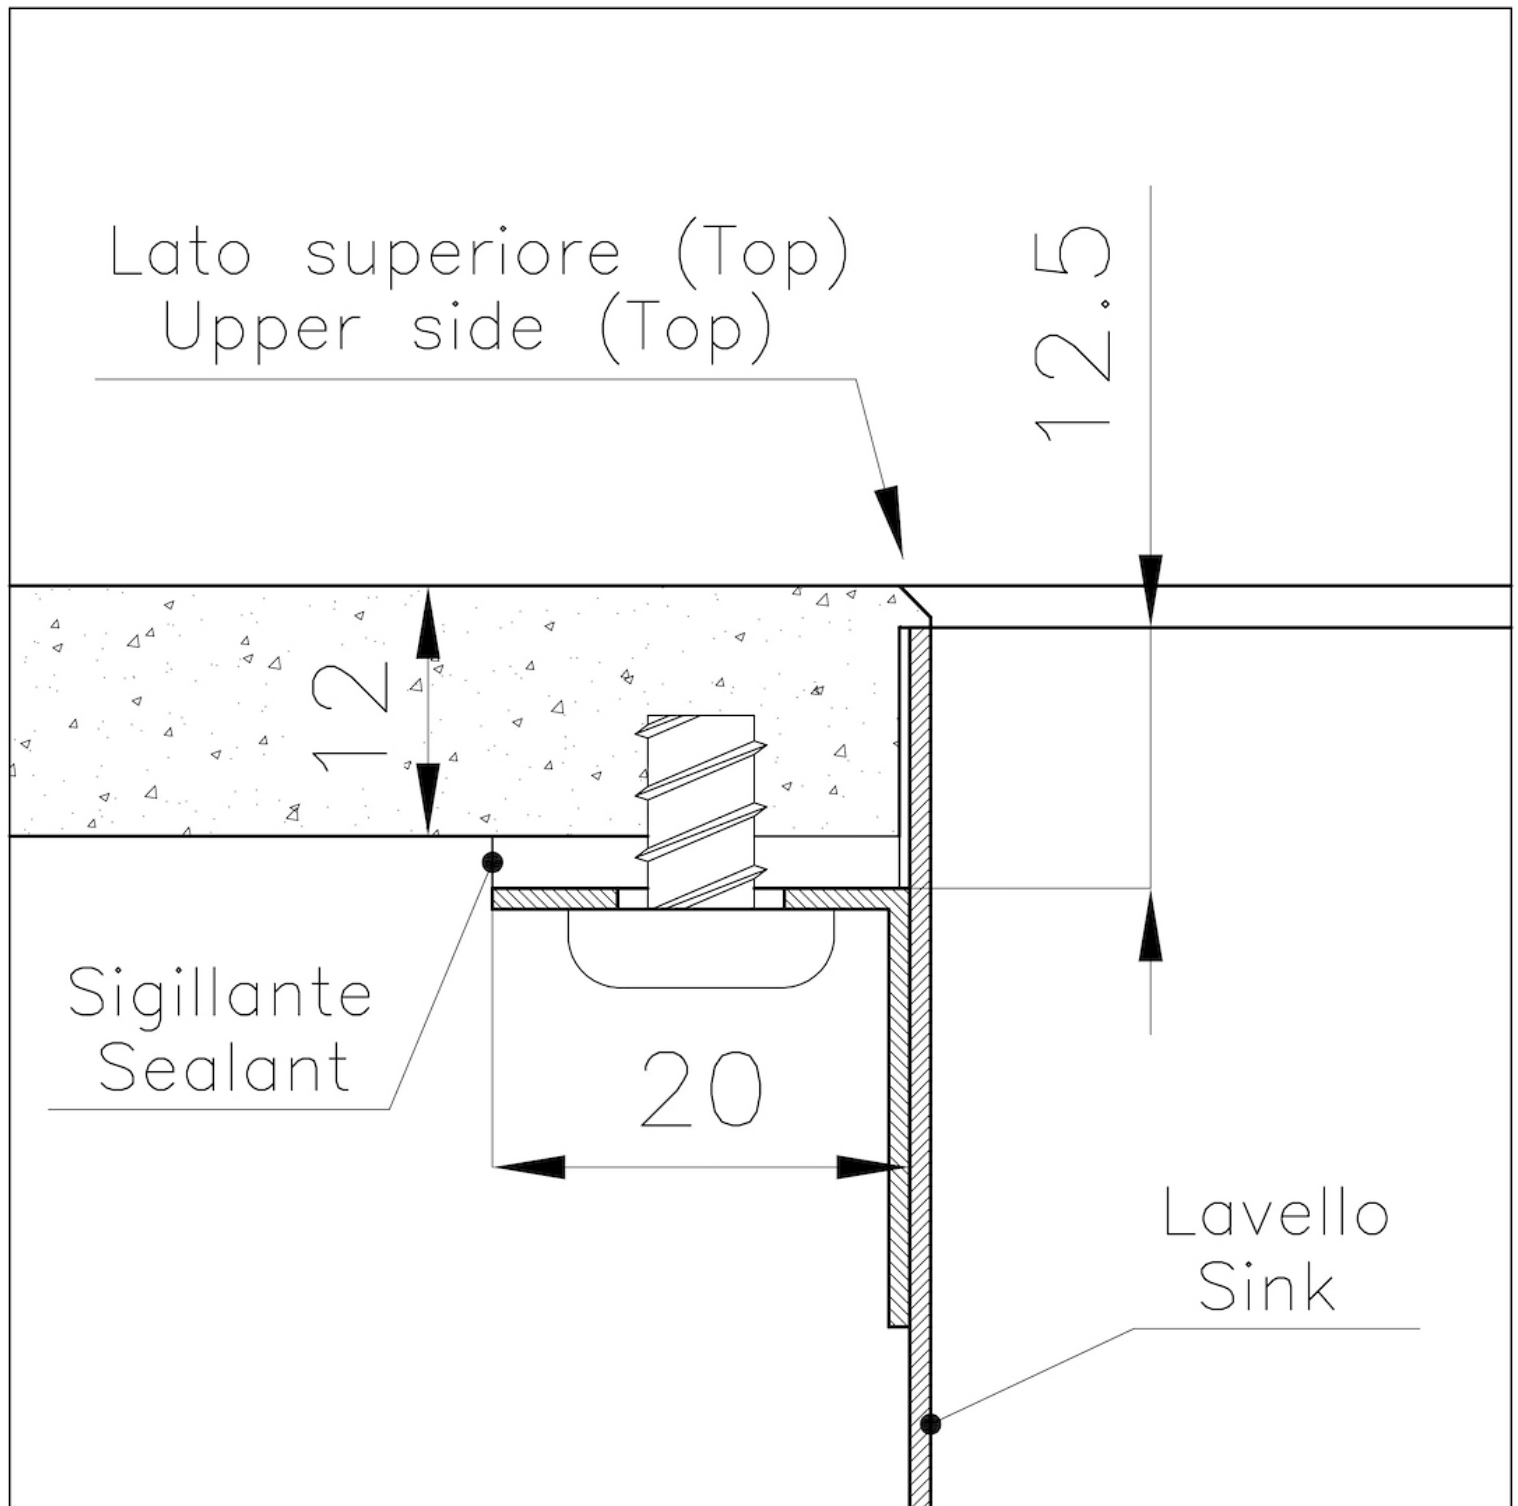

High thickness	1mm thick steel. A significant thickness, which guarantees the maximum sturdiness and durability.
----------------	---

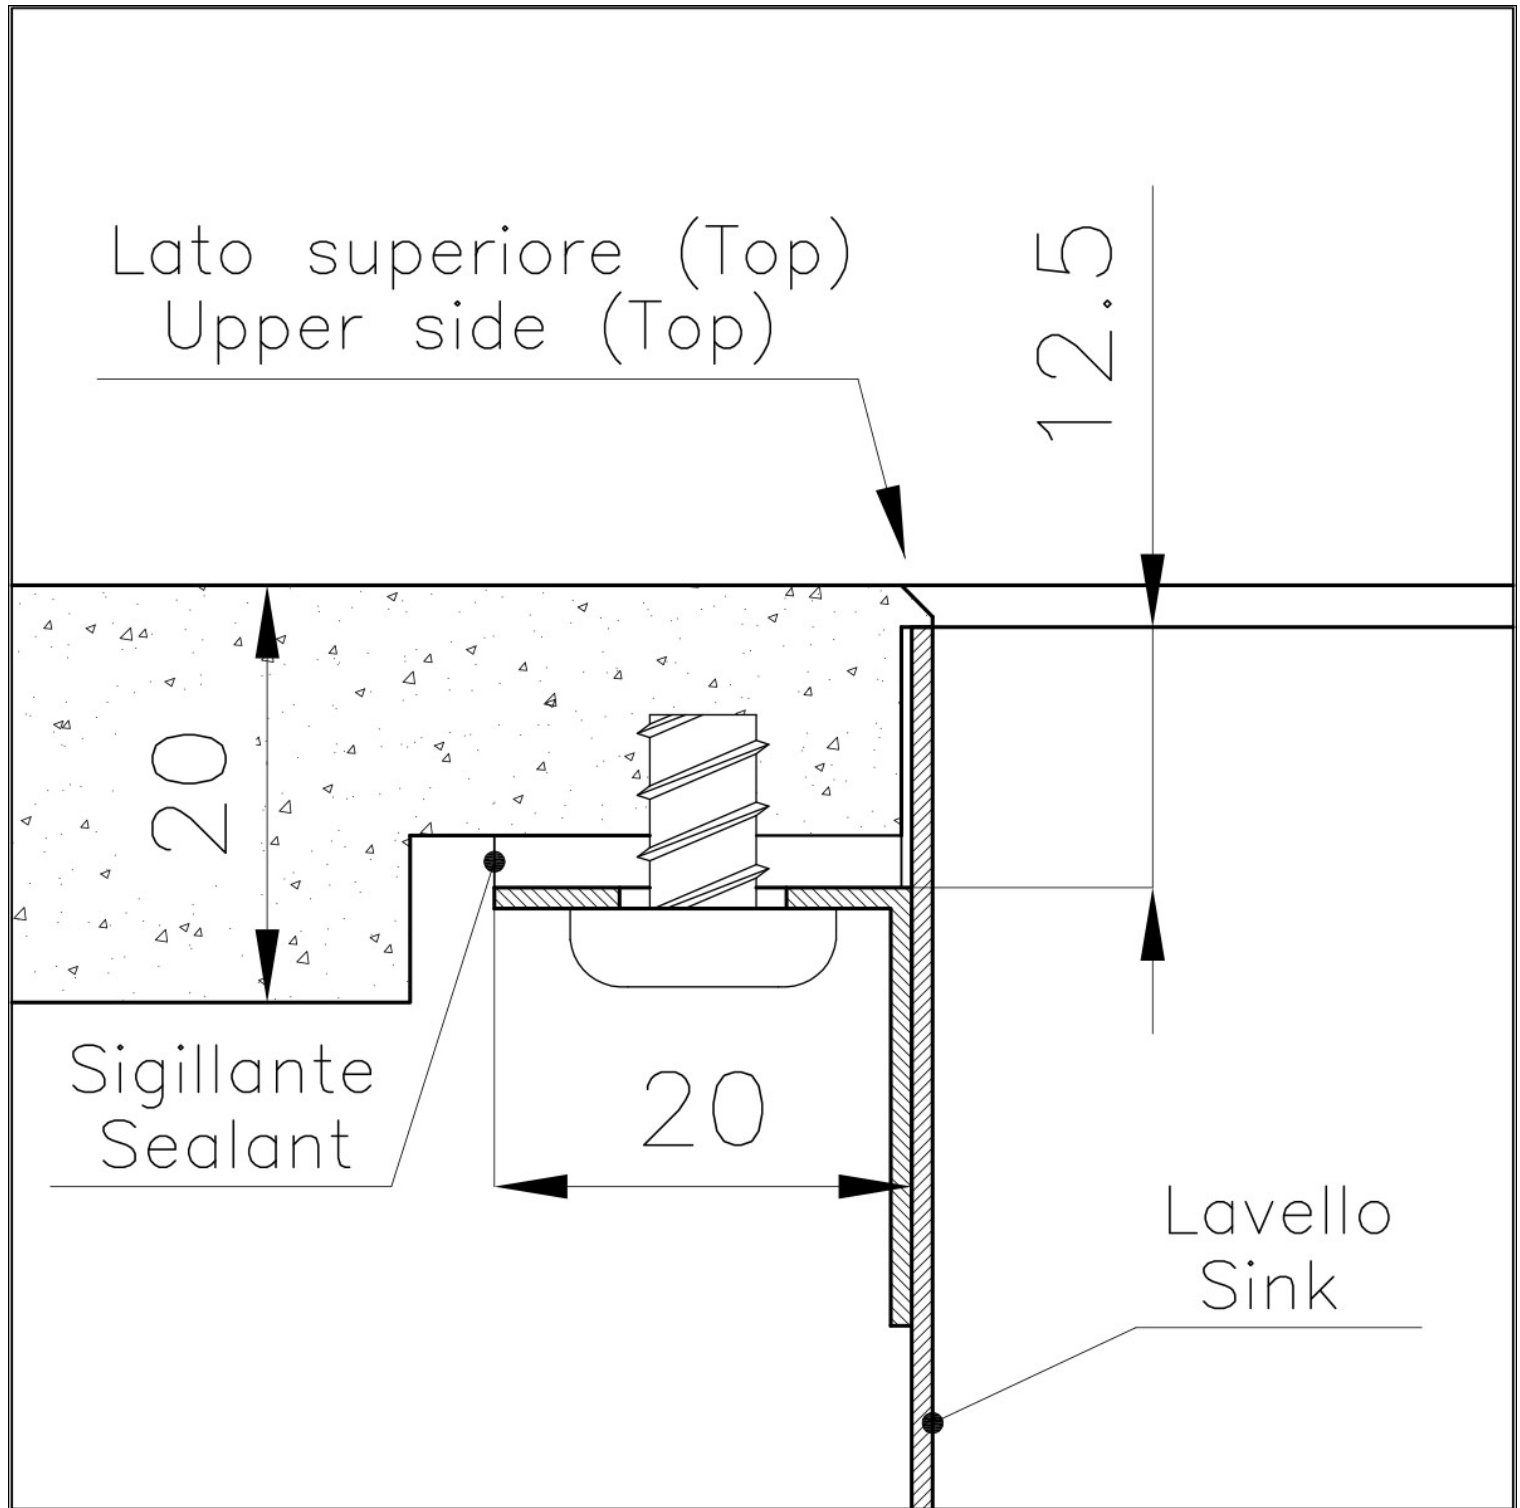

Small radius	Bowls with squared shapes with a modern design and an increased capacity, for a minimal aesthetics connected with an extreme practicality.
--------------	--

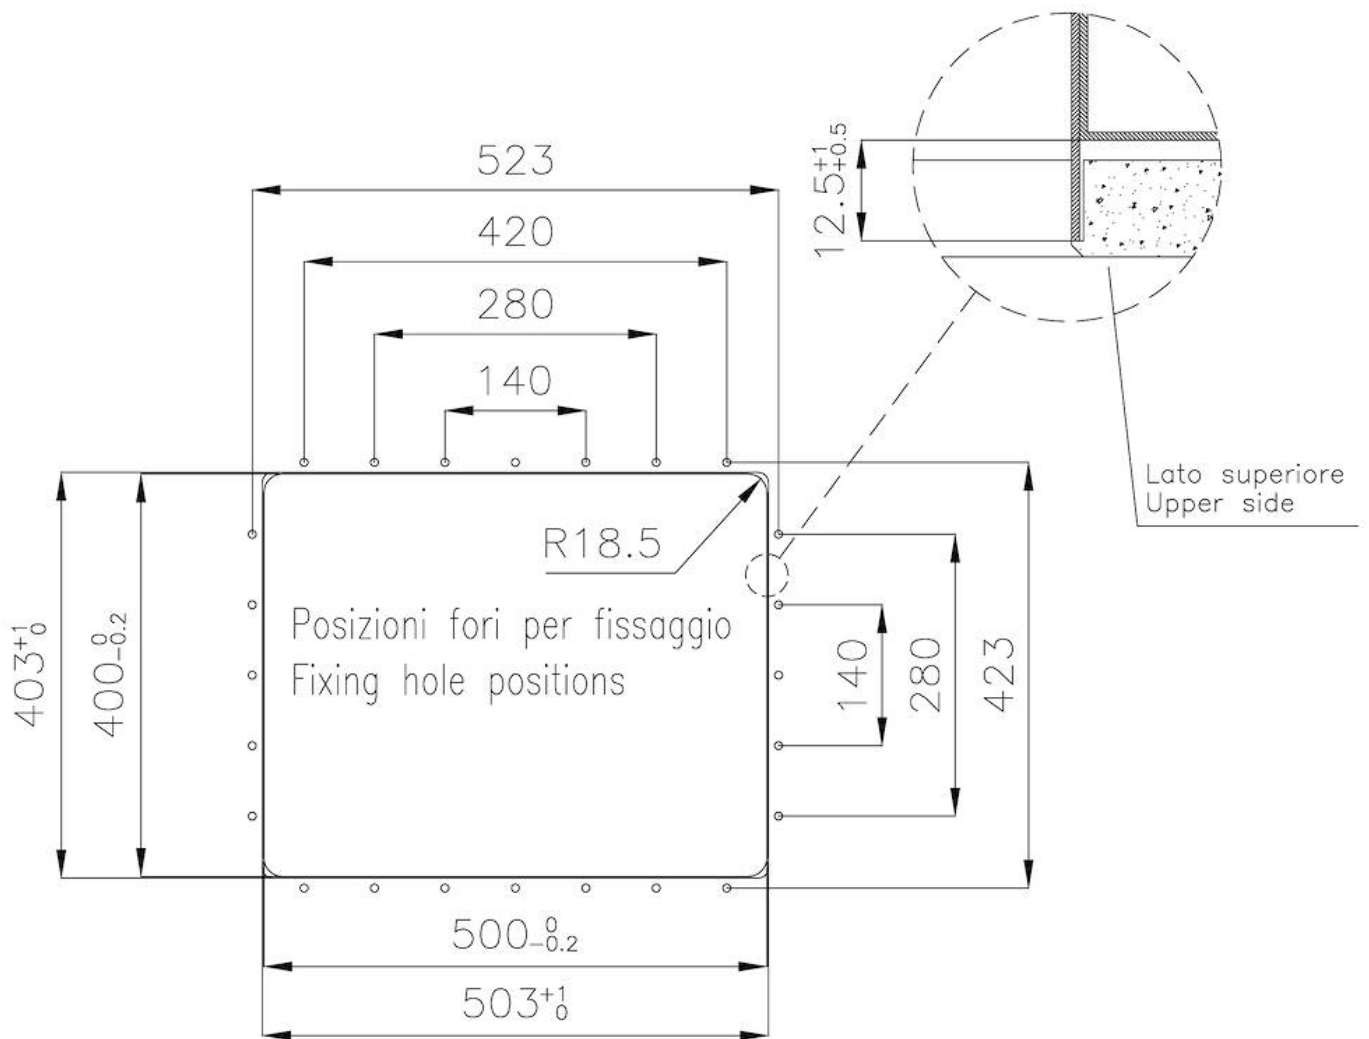

Perimetral overflow	The overflow is always a security on the Foster sinks that prevents the overflow of water in case of oversights. The perimeter drain solution improves aesthetics thanks to its square and essential shape.
---------------------	---
