

Oven KE 7170 062

Ovens and Coordinated Products

Code: 7170 062

COOKING PROGRAMS

Grill	To quickly gratin the surface of the food.
Ventilated cooking	The combination of ventilation and circular heating elements allows for cooking different types of foodstuffs together, without mixing aromas and flavours.
Ventilated grill	The combined action of the fan and grill produces rapid and thorough cooking of thick foodstuffs.

DETAILS

Supply	220-240V - 50Hz
Energy class	A
Dimensions	60x36 cm
Standard fittings	1 tray with EasyClean enamelling - 1 stainless steel grill
Cooking chamber finish	Easy Clean enamel

Material/Finish Glass / Anti-touch, brushed stainless steel

Number of door glasses 3 glasses

Programming Electronic start-end cooking program

Type of cooling Tangential ventilation

Oven type Ventilated oven

Type of commands Knobs

Volume 35Lt

FEATURES

A energy class A range totally in Class A ++, A + and A. An important result that proves the high quality, aimed at optimizing performance and savings.

Triple glass The door is equipped with a multiple glass door. This device ensures low temperatures of external surfaces and lower heat loss.

Stop-sol glass finish The special screening and mirroring treatment of external glass gives the oven an elegant and modern aesthetic. The oven remains dark when not in use, once the illumination is switched on the inside is perfectly visible.

Full glass door The inside of the oven door constitutes a single smooth glass surface making it practical for cleaning purposes.

Easy clean enamelling The Easy-Clean enamelling makes the internal oven surfaces and accessories non-adhesive, while the limited porosity ensures durability and easy cleaning.

Tangential fan

A special ventilation creates a flow of air between the cooking chamber and framework, thereby reducing the temperature of the external surfaces. As consequence, the oven does not expose furniture to temperature shock.

Anti-touch finish

The steel parts of the door, thanks to the special protection, are perfectly smooth and protected from fingerprints, while maintaining the elegance of the satin finish.
